NEXT STEPS

Choosing and ordering

1. Let us know your favourites by number (for example, 4 and 17).
2. We match each favourite to a wall from our measurements and send you a layout for each wall, drawn to scale.
3. We'll confirm availability, the final price, HST and delivery in writing. Once you approve, we place the order. Most pieces arrive in about 3 to 5 weeks, as they are printed and framed to order in Ontario.
4. When your art arrives, we deliver it and hang it, and make sure every height and spacing is just right.

Prices are in Canadian dollars, per piece, before HST and delivery. This is an example lookbook, based on a real project. Prices were current in November 2026 and can change. Sizes are width × height in inches and include the frame. Colours on screen and in print may differ slightly from the finished piece.
